

Michigan Medicaid School Based Services Database Explanation

This document contains information for interpreting the Michigan Medicaid School Based Services Database. The database contains a listing of the covered procedure codes for the School Based Service Program.

Highlighting key:

- Yellow highlight – new code
- Blue highlight – code deleted
- Pink highlight – code description change

The database is available in two formats:

- PDF excel file for viewing and/or printing a page
- WINZIP self-extracting executable Excel file for downloading data onto you computer

The database includes the following data elements:

- HCPCS Procedure Code
- Code Description
- Modifiers
- Status Code
- Effective Date
- Michigan Medicaid Fee Screen
- Quantity Per Day
- Limits
- Occurrence Description

Questions on the database should be directed to Provider Inquiry by phone at 1-800-292-2550 or email to ProviderSupport@michigan.gov. Include your name, Provider type (School Based Services) and a phone number for contact information.

Data Element	Description
